"By Our Quality We Shall Be Known"

HAPPY EASTER

John Haedrich & staff wish you a Happy Easter and Thank You for being our loyal customers!

"Your Partner in Quality."

At Tip Top it's all about the MEAT!

You can buy meat anywhere, but it won't be prepared the way Tip Top Meats presents it. Our variety, professionalism and quality cutting & trimming is unmatched by anyone else that claims to be a meat market. At Tip Top Meats, everyday it's about the quality and portions at the best price! We are a professional BUTCHER SHOP!

Everyday we offer fresh sliced liver, fresh hamburger and super thick cut bacon! By popular demand we have a display of DRY AGED BLACK ANGUS BEEF that can be cut in to steaks of any thickness to order.

Tip Top Meats is proud to be a Licensed, certified California Facility for Angus Beef.

DIESTEL TURKEYS

Straight from the farm to Tip Top. A difference you can taste. Tender & juicy with an old fashioned flavor. A range grown Diestel Turkey is consistently better.

MORE TURKEY!

Turkey Breast • Turkey Sausage • Fresh-cut Turkey Parts • Turkey for stock!

HAM for the Traditional EASTER DINNER

We smoke our own whole-muscle ham in a variety of sizes. There is no better tasting ham anywhere!
